

# 20-year slay mystery

Who is the girl in the concrete coffin?

Cops released a sketch yesterday of the young woman whose skeleton was found in the basement of a Hell's Kitchen tenement Feb. 10.

The case has been declared a homicide.

Authorities believe the victim was a white female between 15 and 21, 4-feet-10 to 5-feet-4, with a petite build. Found with her was a gold-colored signet ring with the initials "PMcG."

Cops estimate she was killed 20 or more years ago.
